# Commodore Corner...

**October 18<sup>th</sup>, General  
Membership Meeting at  
Clubhouse 7:30pm**

Ahoy Maties! I hope you are enjoying the somewhat cooler fall weather and that you are getting out on the water often. I hope that the 90's are in our rear view mirror!

With the advent of fall, DBC is thick into planning for the following year. The proposed 2022 budget will be discussed at the October General Meeting, and then voted on in November. We will also be voting on the new slate for the Bridge and Board at the November meeting. If you are interested in running, please contact Dan Zucker, Ron Kinkead, or Brenda Hanson, our three Nominating Committee Members.

A huge thank you to the David Kresge, Fairley Brinkley, the DBC Race Committee, and the Clearwater Yacht Club for another outstanding Dunedin Cup Sailboat Race. It was a team effort that resulted in a great day of racing. Special thanks as well to Mike and Cathy Ressa for the use of their catamaran as our Race Committee Boat. DYSA also participated in the festivities by holding small boat races in St Joseph Sound.

# Book Club...

The Book Club next meeting is Wednesday, November 10th, at 7pm. Sign up on the Event section of the new Boat Club website.

## Here is our book selection

The book selection is “**The Reckoning: A Novel**,” by *John Grisham*. It is October 1946 in Clanton, Mississippi. Pete Banning is Clanton’s favorite son. Then he commits a shocking crime. His only statement about it is: “I have nothing to say.” The novel takes us from the Jim Crow South to the jungles of the Philippines during WW II; from an insane asylum to the courtroom where Pete is on trial for his life.

# Fishing Report...

With our cooler weather the baitfish are on the beaches and predator fish will not be far behind. When the water temperature hits 74, large Spanish mackerel and kingfish will show up. Sheepshead will be at the docks and bridges along with some mangrove snapper. Snook are on the beaches for catch and release only. Tasty whiting and silver trout will be found in the passes and are easy to catch using shrimp for bait.

Offshore you can find grouper, snapper, and white grunts, all great table fare! Don't forget that stone crab season will open this month and can be caught with traps or by diving if you are brave enough to gather them by hand. Get out there and fish!
