## The 2022 St. Joseph Sound Flats Classic Fishing Tournament

I am so proud of our Club because we are leading the way in our community with this exciting event. The Flats Classic is shaping up to be a popular event that we hope will continue for many years. Also, the DBC is co-sponsoring this event along with The Rotary Club of Dunedin. The City of Dunedin and several other organizations are also collaborating with us to make this a very special event.

The Captain's Dinner will start at 6pm Thursday October 27th at the Dunedin Golf Club. This charity event will raise money to help individuals and families in need in our area. What a wonderful way to help the people who need a little love right now.

Before the Captain's Dinner, we will have the Silent Auction with many wonderful items to bid on. The MC of this event is our own Terry Hopkins. He will be running the Live Auction which starts at 8pm. Terry takes the art of auctioneering to new heights...trust me...you will not be able to resist jumping into the bidding.

## St. Joseph Sound Flats Classic...

**General Membership Meeting**  
**October 17th, 2022, 7:00**

The Italian buffet dinner and dessert will start at 6:45pm. There will also be a cash bar. DBC Member Newton Beardsley will be playing the piano. Newt plays piano regularly at the Bon Appetit and his music will set the tone nicely at the event. Meanwhile, out on the patio, we will conduct a game of fishing rod casting accuracy and there will be prizes to win.

The cost to attend The Captain's Dinner is \$35.00 per person. Buy your ticket on the DBC web site or at the DBC General Membership Meeting on October 17th. You can pay cash or with a check payable to the Rotary Foundation.

Friday October 28th at 7am the fishing tournament starts at the DBC Clubhouse. At 8am the anglers will be golf carted over to the fishing guides and board their boats for some excellent snook, redfish, and trout fishing. At noon we will have the awards and luncheon back at the DBC Clubhouse.

If you want to be a fishing contestant in the Inaugural St. Joseph Sound Flats Classic, please reach out to Linda Christle [lindachristle495@gmail.com](mailto:lindachristle495@gmail.com) there are still a few fishing slots left. As always, we very much appreciate all the DBC Members who are volunteering their time and energy to make this a wonderful event. Why not jump in and help make history yourself... if you want to help, just email Linda Christle or myself and we will line up something fun for you to do.

# Rear Commodore...

I just want to thank those who covered for me while I was gone in October who got the building prepped for Hurricane Ian. I was able to get things back in order this week.

I will be writing up some user instructions for connect to and using the TV. Should be ready next week and added to the DBC operations guide. There are 2 copies in the club. First is above the alarm panel on the east wall and the second is above the stereo.

Lastly, I have been spraying for ants around the outside of the building and in the attic with a non-toxic natural spray for rodents. Please take extra care to not leave any food scraps or wrappers around.

## San Jose Park to Hammock Park

October 25th, we'll meet at San Jose Park at 11:30 am for an easy, 4 mile round trip along the shoreline and into Hammock Park. We'll be going with the tide on the way out and the tide should be neutral or coming in on our way back. If it gets windy, the paddling might be slightly more difficult.

If you can't find a parking spot in the park, please unload your kayak and park on one of the side streets.

**Please note:** If a large number of people sign up (which is unlikely on a weekday), we'll have to launch from the boat club, which will add one mile to the trip for a total of 5 miles. Please check your email the day before as I will notify you if we have to make this change.

*I look forward to seeing you on October 25th!*

### **Directions to San Jose Park:**

Take Alt 19 north to San Jose Drive  
(the first street north of San Salvador) and turn left.  
The park is at the end of the street.

# Fishing Report...

Our First Annual Salt Flats Classic Tournament is October 28th. Get involved and volunteer or come to the dinner Oct 27<sup>th</sup> and bid on the Silent Auction and have an awesome meal at the Country Club. All proceeds go to local charities.

October 15<sup>th</sup> is opening day for stone crabs, however you can put your baited traps in the water 10 days before the opening. We put our traps out on the 8<sup>th</sup> baited with fish carcasses and pigs feet. There is a change for the traps this year, they must have an escape ring 2 3/16 inches in diameter located in the lower half of the trap to be legal. On and after October 15<sup>th</sup> you can keep one gallon of claws per person or 2 gallons per boat with two licensed people. Please learn how to properly remove the claws so you do not kill the crabs. I like to snip them at the lower joint with diagonal pliers, quick and easy!

During the clubs kayak event I fished from my kayak at docks using fiddler crabs and caught 3 legal sheepshead. Use a #1 hook with splitshot above and fish the dock pilings. These are great fish to catch and eat.

Feel free to contact me if you want to fish or need info on how to catch them.

Get out there and fish!

# Insights...

Tangi and Karl, otherwise known as Tangi's husband 😊 have been happily married for 32 years! They have 2 incredible children, Kali 30 and Ryley 23, 2 grandchildren and 1 on the way likely to be here by the time you read this!!! We've been living in Tarpon Springs for the last 30 years and have love it, but we love Dunedin too, its our 2<sup>nd</sup> home away from home.

Karl spent the last 22 years in the IT corporate world with a Global IT Firm. Tangi spent most of her adult life in the cosmetology industry creating beautiful sculpted nails and permanent makeup tattoos. They work hard but love to play hard. Having both been around boats most of there lives Tangi and Karl have somehow managed to be those "stereo typical" boaters that have 7+ vessels of one type or another. It's an addiction!

Tangi is our local Learn to Sail level 1 instructor that has been with the DYSA - Dunedin Youth Sailing Association, from the beginning of the program. She has also recently participated in the Sunfish Masters in Clearwater. Way To Go Tangi!! Karl has been right there with her volunteering and getting to meet so many great people and learn so much about Sailing, racing and boating in general. Everywhere we go some of the kids that learned from Tangi years ago come up to say hi. Its nice to see some of them growing up and buying boats and promoting boating in the beautiful place we all live.
