Commodore Corner...

What a wonderful evening we all enjoyed at the DBC Chili Cook-off this past weekend. We saw so many Members that we have not seen in a while. Many volunteers stepped up to make the event happen. Karen Ann Auman won the Overall and Best Appearance for her chili. Karen, that chili was the best I have ever tasted! Ann Sanders won the Best Afterburn. Congratulations to Karen Ann Auman and Ann Sanders!

The Dunedin Cares Food Pantry is having a difficult time keeping food on the shelves to help those in need. We all know how expensive it is to buy food now days. Holidays are a time to enjoy family and everyone around the table enjoying each other's company with laughter and love. Let's help families put food on their tables and give thanks for all our blessings.

The Holiday Food Drive will start at the General Membership Meeting Monday November 21st. Please bring a bag of food to donate when you come to the November General Meeting. Joanne Fell will be at our meeting and will speak about the Dunedin Cares Food Pantry. Let's shower the Pantry with love and sacks of food.

We will also be working on the Election of The DBC Board Members for 2023. If you have not voted online, you will be able to cast your ballot at the General Meeting on Monday November 21st.

A BIG THANKS goes out to all the Members who stepped up to give their time volunteering this year. Our Club is made great by our wonderful volunteers! All of our awesome events simply would not happen if we did not have our great Club Members giving their time...YOU make it all happen!

We are really looking forward to our Lighted Boat Parade and Christmas Party at the Club. Santa and Mrs. Claus will be in the Boat Parade and if we are lucky...they may be at The DBC Holiday Party after the Boat Parade. What fun we all will have with our family of friends.

We are so blessed. Thankfully, we were spared the wrath of Hurricane Ian and our homes and business were safe. We are blessed for all the love DBC Members have for each other and how we come together to help when a Member needs help. That is what The Dunedin Boat Club Family of Friends is all about! Wishing everyone a Happy Thanksgiving!

Vice Commodore...

November General Membership Meeting is Monday, November 21st at 7pm. JoAnne Fell, DBC Member with **Dunedin Cares**, will do a 5–10-minute presentation on the Dunedin Cares holiday food drive, which DBC will be supporting.

Have a fabulous Thanksgiving everybody. There is not a DBC General Membership Meeting in December.

Thanks to Sharon Grimshaw for covering the website while I was on vacation.

Bill Goocher, *Vice Commodore*

Rear Commodore...

Hello Members. It's hard to believe the year is almost over. A few things for November.

First, There will be a "Good for the Club" event on Saturday, November 19th from 9:30 - Noon. This will be another club cleaning, similar to what we did in the spring just a bit scaled back. The plan is to take the furniture outside and wipe it all down, and clean the interior walls, windows cabinets and floor throughout the meeting room, kitchen and bathrooms. All in time for the holiday decorating event and holiday festivities. If you can help, please email or text me to let me know. There will also be some friendly reminder emails coming your way too.

Second, regarding maintenance repairs.

- The blinds that were broken have been replaced. The replacements do not have pull cords but rather just lift up from the bottom to open.
- Also, as some of you have noticed the weather station has been offline. A while ago there was a lightning strike close to the building that fried the unit in the club. A new one has been ordered and will be installed as soon as it arrives.
- I have begun spraying the attic, kitchen and closets with a non-toxic rodent deterrent to see if we can manage the problems. This is a natural spray and supposed to offend their senses (hopefully more than they offend ours). It will require a full month treatment and then once monthly after that. Please remember to remove ALL garbage to outside, preferably to the dumpster over in the parking lot across from Olde Bay Cafe.
- A plan is in the works to start the refurbishing of the trailer used for our float in the Mardi Gras parade. We'll be looking for volunteers to help dismantle the current structure so we can get the tires changed and new decking put on. We have funds in this years budget to get some of the work done before end of year. Hopefully with your help we can have the trailer in perfect shape for the next parade.

Lastly, you will soon be receiving a survey through email to gauge the membership's interest in a CPR / AED class. Please keep an eye on your email for this. Tentatively, we would like to schedule the class for late January. More details about the class, class size and fees will be in the survey.

Fishing Report...

The cold fronts are here and the water temps are dropping causing many species of fish to migrate through our area! Kingfish and Spanish mackerel can be found 1-2 miles offshore using live greenbacks for bait. Slow troll a Spanish mackerel, ladyfish, or blue runner on a stinger rig to hook into a good sized kingfish. Remember to loosen up your drag and let the larger fish run to prevent a breakoff.

Sheepshead are available on dock pilings and around bridges. Best baits are fiddler crabs, mud crabs, mangrove crabs, and small shrimp on a #1 or 2 hook with just enough weight to get it down. These are hard fighting fish and great on the table.

Triple tail can be found near crab trap buoys and channel markers, cast a live shrimp, greenback or small jig to hookup with these strange looking but tasty fish.

Watch the weather and pick your days, the fish are out there and hungry!

Feel free to contact me if you want to fish or need info on how to catch them. Remember, we have a forum on our website.

Get out there and fish!

November Highlight

Tracie Gattas
Life Member

Chris and I (Tracie) are life members. Jeanine asked me to do an Insight for the newsletter. Chris did one on himself last year so I'm going to try to make mine a little different. My view of the Boat Club from a mother's perspective. So here it goes..

I'm a local girl. Born and raised right here in Largo. In fact, I was born at Morton Plant Hospital, as was Chris and our son Phillip. Pretty rare! Would you believe that we were high school sweethearts? Yep, beating the odds, at least so far, married for 36 years now.

Chris and I have always owned sailboats. It was new to me. Chris was the sailor. I grew up water skiing. My family had a Wellcraft that we took to Lake Tarpon every weekend. I was pretty good too! It was our family activity. I always associated boating with family fun for everyone. As Phillip got older, I suggested we get a boat. I'm sure it's no surprise Chris jumped all over that. So, we got our first boat. Cost us 3 grand and we were 3 Gattas's, so we named her 3G's.

Phillip was a little nervous at first on 3G's. He was unsure of the way the boat heeled under sail. Fortunately, he was young enough that when the boat was pulled out for a bottom paint job, we told him special anti-tipping paint was used. It worked for a while.

Soon after we joined the Boat Club. You know that old saying "It takes a village"? I believe the Boat Club was part of that village for Phillip. I'd like to share some of my favorite stories and some of Phil's life lessons at the Boat Club.

Phillip met John Lowe at a church carnival. John had seen Phillip at the Boat Club and stopped to talk with him at the carnival. He asked where Chris and I were. Phillip told him we were out of town, and he was staying with a friend. Phillip told John he was hungry, so John got him a hot dog. A week or so later when Chris and I saw John he asked how could you go out of town and not leave any spending money with your son? We told him he had \$20. Well, if you knew John, you'd know he loved it! He was hustled and thought that was funny. From that point on Phillip's nickname was 2 Buck. And he took every opportunity to remind Phillip, he owed him \$2. LOL

Insights...

Over the years there were so many club events. The laundry race was always a favorite. Phillip with the super soaker squirt gun in hand and Chris at the helm yelling "Where's Carol on Island Hopper? We've got to beat them!" and "Dennis Bosi that (expletive)!" The after party was always fun. I remember one year at Skip's Bar. John Lowe and Phillip (2 Buck) shooting water balloons across the street at innocent bystanders with a slingshot. That was the last time we were invited there, at least for a couple of years.

Mardi Gras many years ago...

Phillip went with us to John's funeral. He touched Phillip as many of the boat club members did over the years. Chris and I are very grateful for that! Thank you!

On a more recent note, Chris and I decided to try and be full time captains about four years ago. As a result, we are on our third boat now - Dream Ketcher. A 41' Morgan Out Island. She's a hard worker! She's run three seasons at Florida Sea Base, a high adventure Boy Scout camp in Islamorada, Florida Keys. The way the program works is our boat takes out 6 scouts and 2 troop leaders for 5 days. Teach them how to sail, fish, snorkel, navigation and such. You come in on the 5th day, get a day off and then provision and get ready for another week of scouts.

Oh, and the DBC Mooring trips Mary Kolb arranged. We'd pull Phillip out of school to go to the Bahamas or BVI. It was memorable family time with his Grandparents and other boat club families like the McCoy's, Beaty's, and Connor's. Matter of fact, Dorothy and Clay Connor, retired teachers, would help Phillip with his school work.

By the time Phillip got into his teenage years he'd gotten pretty good at the ring toss game. I heard through the grapevine he hustled Tony Battista out of \$20. I can neither confirm or deny that. Just another Boat Club life lesson. (LOL) As a teenager he loved the Mardi Gras parade. I think it was because he got flashed, and did notice that John was sure to walk alongside Phillip.

Many of the Boat Club members attended Phillip's wedding. That night after all the guests went home the family hung around and opened gifts and cards. The best one was from John and Susan Lowe - the check was for \$98 and the card said we're even!

Studying American Government...

Last year, I ran Ron & Sherrie Kinkead's boat Escape in the program for 10 weeks. Dream Ketcher and Escape ran together. One of the hardest things I've ever done! But being a captain still beats being a Bank Manager or standing behind an embroidery machine.

During the winter months, I work part time at ParrotDise Express and the Clearwater Marine Aquarium. I have to give a quick shout out to my boss – George Brandenberger, a new member. You're going to love this club!

We're not sure if we'll go to the Keys next summer. We're hopeful we can get a commercial slip here and do our own sunset tours. Going away for the summer is really hard now that we have a grandson, Augustus. God is good!
