Commodore Corner...

Ahoy Mates!

May is here and halfway through the month, and it is time to get out and go boating!

A good time was had by all who attended our first “Burn The Socks” event. Looks like this might be an annual party to add to our calendars in years to come. Our Kentucky Derby Night was again a success. Thank you to all those that helped make these events a success.

Our Gulf Series Regattas ended in April and Awards were handed out May 4th. Bay Summer Series starts this month and throughout the summer. Be sure to come out and watch at our clubhouse dock. Dates and times can be found in our online Racing Calendar.

Marina Matters

May/June 2023

| Storm Season | Buying A Boat? |
|--|---|
| <p>Hurricane Season is quickly approaching, as well as increased thunderstorm activity. Many lessons were learned from last season, the most important of which is to never let your guard down. The one that we most fear is not necessarily the one that will cause the most damage.</p> <p>Whether it is a hurricane or "just an afternoon thunderstorm", please be prepared and check your boat frequently.</p> <ul style="list-style-type: none">• Conduct a thorough inspection of lines, chafing gear, etc. regularly.• Order supplies ahead of the season while supply chains are still stocked.• Keep boat trailers well maintained and ready for use in case a storm threatens our area.• Assign an alternate person to be responsible for securing your vessel in the event that you are not available. Provide the Marina office with their contact information. Monitor all email communications from the Marina and the City, and add both to your safe sender list. If you change your email address, send us an email notification so our records are up-to-date. | <p>Selling your boat or buying a new one?</p> <p>Please be sure to contact the Marina office for information prior to making your purchase. The new boat must fit the requirements for the slip.</p> <div style="border: 1px solid black; padding: 5px; text-align: center;">FOR SALE BY OWNER</div> <p>Staff is often asked if there are any boats for sale in the marina. If you would like us to pass the vessel information on to potential buyers, please send us an email with details.</p> |

Marina Reminders

Vessels must be kept operable and in safe, seaworthy, well-maintained, and presentable condition at all times.

No hazardous or flammable liquids are permitted to be stored on any docks within the marina. Fuels carried upon the docks must be in DOT, UL or FM approved containers and the contents clearly marked.

Maintenance is ongoing throughout the year. Please report issues directly to the marina office to ensure that staff is aware and can respond to maintenance needs as quickly as possible.

Cars without marina permits that occupy 'permit only' spaces can be reported to the Pinellas County Sheriff's Office by calling the non-emergency line at 727-582-6200.

Race Committee...

We completed the Gulf Series Race April 22nd. We had enough winds to race the long course, making it a great sailing day. First place went to Paul Guidi of “You Know Who”. The results were posted to the DBC Race Website. Many Thanks to our Signal Boat (Dream Ketcher) with Captain Chris and Tracy Gattos. And the race committee had a great day with a running another successful race. On board were: Stacy Muellers, Michelle Miller, Jude Zentmeyer, Larry O’Conner and Majid Abrari.

The DBC Race Committee held an Awards Ceremony on Friday May 4, hosted by Carol and Harold Elwood. Awards and recognition to all that make these races were presented.

The Next Regatta is the Bay Summer Series which began May 12, 2023 in St. Joseph Sound. Remaining dates are: May 26, June 9, and June 23.

Thank you to our DBC Advisory Committee, our RC Crew, our competitors, there Crew, our DBC Members and our CYC Teammates for a nice Race Committee celebration and recognition of our Spring Regatta Results.

Book Club...

The Book Club's next meeting is Wed., June 14, at 7pm. Sign up on the Event section of the Boat Club website.

The book selection is "**The Lost Apothecary: A Novel**," by *Sarah Penner*.

In eighteenth-century London, a secret apothecary shop caters to women across the city selling well-disguised poisons to use against the oppressive men in their lives. In present-day London, an aspiring historian spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's—and not everyone will survive.

Insights...

May Highlight

Rosemary O'Hara

Since 2021

In retirement, Rosemary O'Hara puts down pen and picks up paddle

Before retiring to Dunedin two years ago, Rosemary Goudreau O'Hara was the editorial page editor of the South Florida Sun Sentinel in Fort Lauderdale, a position she held for eight years. Previously, she was editorial page editor of The Tampa Tribune. Over the course of her 44-year journalism career, she also worked at newspapers in Miami, Orlando, Cincinnati, Norfolk and Washington, D.C.

Rosemary has served on several state and national journalism boards. She has regularly appeared — and continues to appear — on television and radio roundtable shows. She has been inducted into the University of Florida College of Journalism's Hall of Fame. And Influence Magazine twice named her one of the 100 most influential people in Florida politics.

Insights...

In 2019, Rosemary was a member of the Sun Sentinel team that won the Pulitzer Prize for Public Service for coverage of the many government breakdowns in and around the shooting rampage at Marjory Stoneman Douglas High School in Parkland.

In 2018, with colleagues from the Miami Herald and Palm Beach Post, she launched an editorial board collaborative — called The Invading Sea — that has helped raise awareness and engagement on the need for Florida to address climate change and sea-level rise. Her effort helped spur South Florida's business community to similarly form a three-county collaborative to demand state and federal action on resilience, a push that has seen some real success.

Rosemary is now enjoying retirement with her husband, Tom O'Hara, who similarly was a top newspaper editor. Tom was the managing editor of the Cleveland Plain Dealer and before that, the Palm Beach Post. He also taught full-time at The Ohio State University and Florida Atlantic University. He also served our country in Vietnam.

Rosemary grew up on the shores of Lake Superior, where historical markers commemorate her family's role in the development of the region's commercial fishing industry. Though not a boat owner, she enjoys boating with friends, kayaking, long walks on the beach, book discussions, tai chi, Zumba Gold, concerts and plays, Thirsty Thursdays at TD Ballpark, becoming rooted in Dunedin and making friends in the Dunedin Boat Club, where she currently serves as Membership Chair.
