Commodore Corner...

Ahoy! The **Mardi Gras Float** building was a great success and is one of the best events we have in the boat Club to build friendships and really get to know people the old-fashioned way, by working with them. The parade will be past when you read this, if you have never been to the Dunedin Mardi Gras Parade, one of the largest in the country, you missed a great time. To all the great Boat Club members who helped build the Float and all who marched in the parade... a job well done. Now let's start planning for next year!

Our General Membership Meeting is February 19th. Jack will be there early for the key exchange. Then **Jude Zentmeyer** is going to be our speaker, so do plan on coming to listen and learn about all her sailing adventures, it is going to be a great program.

Saturday Feb 17th at 9:00 will be the **Blessing of Fleet**. Check with Chris Benson if your boat needs this or you would like to participate, please go online to our website, and get the full details. That same afternoon Feb. 17th, 200pm to 3:35pm the **Hope Spot Festival** will be in the park and their great film 'Mission Blue' will be shown at the Boat Club House, all members are welcome, and it is FREE.

The 2nd annual **Burning of the Socks and Sunset Happy Hour** is coming Saturday March 9th, 5:30pm to 8:30pm. This is FREE event that Bill and Kathy Goocher are hosting. Come on by and bring your old winter socks, burn 'em, and enjoy the sunset with all your friends. Welcome in the summer season the correct way. See further details on our website!

At our meeting we will also be awarding our checks to the local charities for the year. The Sheriff's Youth Ranch, Dunedin Cares and Dunedin Youth Sailing will be in attendance plus Dunedin Community Sailing Center will be present.

Mardi Gras 2024...

A special thanks to Lynn Olson and Bill Bibbens as Co-Chairing the creation of this year's float. Thank you to Mark Jordon for towing the float, and all the volunteers who made it happen! What a fantastic event.

Social Committee...

Hello Shipmates,

The DBC Social Program is really off to a great start this year!

Our **2024 Change of Watch** was amazing. The Blue Gavel hosted the event and they put together an event that was first rate! We had a great tribute dinner, then came awards that really highlighted our Club and the incredible Members. Dancing ended the event.

Next up with the **Spaghetti Dinner fundraiser** for our DBC 2024 Mardi Gras Float. Capt. Ron Kinhead and his Cigar Conclave pals really did an outstanding job with the dinner. When you combine great food, great drinks and a great chef... ya can't go wrong. On a serious note, Capt. Ron told everyone that this is absolutely the last year he is going to be the chef for the DBC Spaghetti Dinner. (He says that every year!) so let's take his statement seriously and really praise him for the great job he does.

Oh, I wanted to tell everyone how proud I was of them, because when the Spaghetti Dinner was ending... EVERYONE PITCHED IN AND HELP CLEAN UP THE CLUB.

Sending out a BIG THANKS FOR EVERYONE GETTING INVOLVED AT THE END OF THE EVENT.

There has been a group of Members that have been working very hard each weekend on the 2024 **Mardi Gras Float**. I have seen the pictures and the float looks fantastic. Our beautiful Mardi Gras Float is a tribute to the dedication and artistic skills of the DBC Membership. WELL DONE FLOAT CREW!!!

Butch Cole, Social Chair

Social Committee...

The **Mardi Gras Parade Float** is the jewel of the DBC Events. It is an event that makes history every year. This year's float is one of the best ever! The Wizard of Odd theme will astound the crowds. We all had fun marchin' and throwin' beads during the parade.

Blessing Of the Fleet. This is a DBC annual event that you can attend and have your boat blessed. The Host of the Event is our special Chris Benson and our own Paster Whitney will officiate. Meet at the DBC Clubhouse Saturday February 17th. The event starts at 9am.

Just when you think that you have had too much fun....we hit you with a surprise! The **Burning of the Socks and Sunset Happy Hour!** This will be the second year we have done this fun event at the DBC. If this is anything like last year.....all I can say is your sock drawer will never be the same. Bring those old socks that you only wear when nobody is lookin' and burn them on the firepit at the DBC Clubhouse. This pagan ritual signals the coming of Spring and as an added benefit...it keeps the mosquito population down around the Clubhouse. So come on down on March 9th and have a smoking good time with your DBC Shipmates.

For details on DBC Events, log into the DBC Website and navigate to the Calendar of Events Page.

WOW! This is so much fun....I think I need to take a nap and get ready for all this action!!!

We hope to see you there!!

The **Blessing of the Fleet** is a tradition that began centuries ago in Mediterranean fishing communities. The practice began predominantly Catholic, but is now practiced by all Christians as a blessing from the local priest and pastors that is meant to ensure a safe and bountiful season.

In most ports, the event was brought by immigrants who held strongly to their Christian religious beliefs. The events that are part of the ritual vary by community and range from a simple ceremony to a multi-day festival including a church service, Parades, Pageantry, Dancing, Feasting, and Contests.

Race Committee...

We had the first race of the 2024 Spring Gulf Series on February 3rd. Eight boats competed and we had nice winds to give the racers a great day. On the water. Our next Gulf Series race is March 30th.

The Pass-A-Grille, is March 2nd. This is this WFPHRF Boat of the Year race which is co-sponsored by DBC and CYC. The race is from Clearwater Pass to Pass-A-Grille. Skippers meeting is at CYC on March 1st. Dinner and Awards will be at the SPYC-PAG Club immediately follow the race. For those that are interested in joining us for dinner at St. Pete Yacht Club in Pass-A-Grille, you can sign up on the DBC website. Dinner will include; pizza bar, salads, and cookies.

Clearwater Yacht Club is hosting Gulf Coast Championships, Part of the 2024 ILCA North American Grand Prix Series. Check in for competitors is the evening of March 8th at the Sailing Center. Race days are March 9 – 10. They are expecting over 100 boats and are looking for volunteers on and off the water (including beach support as many from DBC volunteered for in the US Open in previous years). It is very exciting to participate in these large regattas and I encourage anyone that is interested to volunteer. If you are interested in volunteering please send your name, cell and email address to or Susie Nolan (CYC) 203-843-4250.

A new Race Class has been added to the Spring and Fall Gulf Series, a “Fun” Class. The “Fun” class will not need a WFPHRF and will start their sequence following the rated classes. Anyone interested (competitors do NOT need to be a DBC member) in joining in on the “Fun”, please contact me directly.

Membership...

We have two new members to introduce this month: Julie and Scott Church of Dunedin. Please keep a welcoming eye out for them.

About seven other applicants are currently working their way through the membership process, including by volunteering for their Good of the Club activity. Remember when you did your GOTC? Volunteering is such a great way to make and cement friendships. Do so again!

If you haven't paid your dues to renew your membership, please be sure to do so by our Feb. 19 meeting. After that, your membership will become delinquent. If that happens, there's another process for reinstatement. No one wants that!

And if you've ordered a name tag and have yet to pick it up, come and get it on Feb. 19. My bag is bulging!

Book Club...

The Book Club's next meeting is Wed., March 13, at 7pm. Sign up on the Event section of the Boat Club website.

The book selection is "**The Personal Librarian**," by Marie Benedict and Victoria Christopher Murray.

Belle da Costa Greene, was a Black American woman hired by J. P. Morgan to curate his collection of rare manuscripts, books, and artwork for his Pierpont Morgan Library. She becomes a fixture in New York City society and one of the most powerful people in the art and book world. But Belle's secret is she's the daughter of Richard Greener, the first Black graduate of Harvard and a well-known advocate for equality. This is the story of an extraordinary woman, famous for her intellect, style, and wit that recounts the lengths she must go to preserve her carefully crafted white identity.

Fishing Report...

Fishing in between the cold fronts when the wind dies down and the sun is out to warm up the water is producing fish. Make sure the tide is moving and fish drop offs by grass beds or oyster beds to find the fish. We caught the fish pictured using jigs with paddle tails. Trout and an occasional red fish will take these lures. Please remember to wet your hands before handling trout to release, failure to do so can cause the protective slime layer to come off allowing disease to kill these fish.

Now is the time to find sheepshead around dock pilings, bridges, rocky areas and oyster beds. Use a strong number 1 or 2 hook and shrimps or fiddler crabs to catch these fish. These fish are great fighters and great to eat due to their crustacean diet.

Get out there and catch some fresh seafood!
